## 1.1 Invitation to Proponents

This Request for Proposals (the “RFP”) is an invitation by the Government of Bermuda (the “Government”) to prospective proponents to submit proposals for **Cisco Lifecycle Services** as further described in Section A of the RFP Particulars (Appendix D) (the “Deliverables”).

The Department of Information and Digital Technologies seeks to procure **Cisco Lifecycle Services**, a comprehensive suite of strategic support solutions designed to optimize the performance, security, and value of our technology investments throughout their lifecycle. These services will enable us to effectively plan, deploy, manage, and continuously enhance our IT infrastructure, ensuring systems remain well-maintained, up to date, and aligned with evolving business requirements. Engaging Cisco Lifecycle Services is expected to help mitigate risks, improve operational efficiency, and extend the longevity and effectiveness of our technology environment.

Failure to adhere to this rule may result in the disqualification of the proponent and the rejection of the proponent’s proposal.

Prior to the Submission Deadline noted in the RFP timetable below, proponents that download this file and intend to respond to this RFP are required to register their interest with the RFP contact by emailing their company name and contact information to

It is the Government’s intention to enter into an agreement with only one (1) legal entity.

The term of the agreement is to be for a period of 1 year, with an option in favour of the Government to extend the agreement terms and conditions acceptable to the Government and the selected proponent for an additional term of up to 1 year. An Agreement is subject to change until fully executed.

Joint submissions are acceptable however, if a joint submission is made, the submission must clearly indicate which party will act as the prime contractor.

[End of Part 1]

## **PART 2 – EVALUATION, NEGOTIATION AND AWARD**

### **2.1 Stages of Evaluation and Negotiation**

The Government will conduct the evaluation of proposals and negotiations in the following stages:

### **2.2 Stage I – Mandatory Submission Requirements**

Stage I will consist of a review to determine which proposals comply with all of the mandatory submission requirements. If a proposal fails to satisfy all of the mandatory submission requirements, the Government will issue the proponent a rectification notice identifying the deficiencies and providing the proponent an opportunity to rectify the deficiencies. If the proponent fails to satisfy the mandatory submission requirements within the Rectification Period, its proposal will be rejected. The Rectification Period will begin to run from the date and time that the Government issues a rectification notice to the proponent. The mandatory submission requirements are set out in Section C of the RFP Particulars (Appendix D).

### **2.3 Stage II – Evaluation**

Stage II will consist of the following two sub-stages:

#### **2.3.1 Mandatory Technical Requirements**

The Government will review the proposals to determine whether the mandatory technical requirements, as set out in Section D of the RFP Particulars (Appendix D), have been met. Questions or queries on the part of the Government as to whether a proposal has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3.

#### **2.3.2 Rated Criteria**

The Government will evaluate each qualified proposal on the basis of the non-price rated criteria as set out in Section F of the RFP Particulars (Appendix D).

### **2.4 Stage III – Pricing**

Stage III will consist of a scoring of the submitted pricing of each qualified proposal in accordance with the price evaluation method set out in Pricing (Appendix C). The evaluation of the price will be undertaken after the evaluation of mandatory requirements, and rated criteria has been completed.

### **2.5 Stage IV – Ranking and Contract Negotiations**

#### **2.5.1 Ranking of Proponents**

After the completion of Stage III, all scores from Stage II and Stage III will be added together, and the proponents will be ranked based on their total scores. The top-ranked proponent will receive a written invitation to enter into direct contract negotiations to finalize the agreement with the Government. In the event of a tie, the selected proponent will be the proponent selected by way of the lowest price.

## **2.5.2 Contract Negotiation Process**

Any negotiations will be subject to the process rules contained in the Terms and Conditions of the RFP Process (Part 3) and will not constitute a legally binding offer to enter into a contract on the part of the Government or the proponent and there will be no legally binding relationship created with any proponent prior to the execution of a written agreement. The terms and conditions found in the Form of Agreement (Appendix A) intended to provide the proponent advance notice of some of the key contractual provisions including indemnities, limitation of liabilities, service requirements, etc. that would be contained in the form of contract and are to form the basis for commencing negotiations between the Government and the selected proponent. Negotiations may include requests by the Government for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or to confirm the conclusions reached in the evaluation, and may include requests by the Government for improved pricing or performance terms from the proponent.

## **2.5.3 Time Period for Negotiations**

The Government intends to conclude negotiations and finalize the agreement with the top-ranked proponent during the Contract Negotiation Period, commencing from the date the Government invites the top-ranked proponent to enter negotiations. A proponent invited to enter into direct contract negotiations should therefore be prepared to satisfy the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D), provide requested information in a timely fashion and conduct its negotiations expeditiously.

## **2.5.4 Failure to Enter into Agreement**

If the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D) are not satisfied or if the parties cannot conclude negotiations and finalize the agreement for the Deliverables within the Contract Negotiation Period, the Government may discontinue negotiations with the top-ranked proponent and may invite the next-best-ranked proponent to enter into negotiations. This process will continue until an agreement is finalized, until there are no more proponents remaining that are eligible for negotiations or until the Government elects to cancel the RFP process.

## **2.5.5 Notification of Negotiation Status**

Other proponents that may become eligible for contract negotiations may be notified at the commencement of the negotiation process with the top-ranked proponent.

[End of Part 2]

## **PART 3 – TERMS AND CONDITIONS OF THE RFP PROCESS**

### **3.1 General Information and Instructions**

#### **3.1.1 Proponents to Follow Instructions**

The Government will not return the proposal or any accompanying documentation submitted by a proponent.

#### **3.1.8 No Guarantee of Volume of Work or Exclusivity of Contract**

The Government makes no guarantee of the value or volume of work to be assigned to the successful proponent. The agreement to be negotiated with the selected proponent will not be an exclusive contract for the provision of the described Deliverables. The Government may contract

with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.

### **3.1.9 Equivalency**

When proprietary names, brands, catalogues or reference numbers are specified in the Deliverables, they are intended to set a minimum standard, and preference for any particular material or equipment is not intended. The proponent may offer material or equipment of similar characteristics, type, quality, appearance, finish, method of construction and performance and if doing so must disclose any difference in the characteristics, type, quality, appearance, finish, method of construction or performance of the material or equipment.

## **3.2 Communication after Issuance of RFP**

Proponents should promptly examine all of the documents comprising this RFP, and may direct questions or seek additional information in writing by email to the RFP Contact on or before the Deadline for Questions. No such communications are to be directed to anyone other than the RFP Contact. The Government is under no obligation to provide additional information, and the Government is not responsible for any information provided by or obtained from any source other than the RFP Contact. It is the responsibility of the proponent to seek clarification from the RFP Contact on any matter it considers to be unclear. The Government is not responsible for any misunderstanding on the part of the proponent concerning this RFP or its process.

### **3.2.2 All New Information to Proponents by Way of Addenda**

This RFP may be amended only by addendum in accordance with this section. If the Government, for any reason, determines that it is necessary to provide additional information relating to this RFP, such information will be communicated to all proponents by addendum. All addenda will be published online at <https://www.gov.bm/procurement-notices>. Each addendum forms an integral part of this RFP and may contain important information, including significant changes to this RFP. Proponents are responsible for obtaining all addenda issued by the Government. In the Submission Form (Appendix B), proponents must confirm their receipt of all addenda by setting out the number of each addendum in the space provided.

### **3.2.3 Post-Deadline Addenda and Extension of Submission Deadline**

If the Government determines that it is necessary to issue an addendum after the Deadline for Issuing Addenda, the Government may extend the Submission Deadline.

### **3.2.4 Verify, Clarify and Supplement**

When evaluating proposals, the Government may request further information from the proponent or third parties in order to verify, clarify or supplement the information provided in the proponent's proposal. The information may include, without limitation, clarification with respect to whether a proposal meets the mandatory technical requirements set out in Section D of the RFP Particulars (Appendix D). The Government may revisit, re-evaluate and rescore the proponent's response or ranking on the basis of any such information.

### **3.3 Notification and Debriefing**

#### **3.3.1 Notification to Other Proponents**

Once the Agreement is executed by the Government and a proponent, the other proponents may be notified directly in writing of the outcome of the procurement process.

#### **3.3.2 Debriefing**

Proponents may request a debriefing after receipt of a notification of the outcome of the procurement process. All requests must be in writing to the RFP Contact and must be made within sixty (60) days of such notification.

#### **3.3.3 Procurement Protest Procedure**

If a proponent wishes to challenge the RFP process, it should provide written notice to the RFP Contact in accordance with the Government's Complaints and Disputes procedures. The notice must provide a detailed explanation of the proponent's concern with the procurement process or its outcome.

### **3.4 Conflict of Interest and Prohibited Conduct**

#### **3.4.1 Conflict of Interest**

For the purposes of this RFP, the term "Conflict of Interest" includes, but is not limited to, any situation or circumstance where:

- (a) in relation to the RFP process, the proponent has an unfair advantage or engages in conduct, directly or indirectly, that may give it an unfair advantage, including but not limited to (i) having, or having access to, confidential information of the Government in the preparation of its proposal that is not available to other proponents, (ii) communicating with any person with a view to influencing preferred treatment in the RFP process (including but not limited to the lobbying of decision makers involved in the RFP process), or (iii) engaging in conduct that compromises, or could be seen to compromise, the integrity of the open and competitive RFP process or render that process non-competitive or unfair; or
- (b) in relation to the performance of its contractual obligations under a contract for the Deliverables, the proponent's other commitments, relationships or financial interests (i) could, or could be seen to, exercise an improper influence over the objective, unbiased and impartial exercise of its independent judgement, or (ii) could, or could be seen to, compromise, impair or be incompatible with the effective performance of its contractual obligations.

#### **3.4.2 Disqualification for Conflict of Interest**

The Government may disqualify a proponent for any conduct, situation or circumstances, determined by the Government, in its sole and absolute discretion, to constitute a Conflict of Interest as defined above.

### **3.4.3 Disqualification for Prohibited Conduct**

The Government may disqualify a proponent, rescind an invitation to negotiate or terminate a contract subsequently entered into if the Government determines that the proponent has engaged in any conduct prohibited by this RFP.

### **3.4.4 Prohibited Proponent Communications**

Proponents must not engage in any communications that could constitute a Conflict of Interest and should take note of the Conflict of Interest declaration set out in the Submission Form (Appendix B).

### **3.4.5 Proponent Not to Communicate with Media**

Proponents must not at any time directly or indirectly communicate with the media in relation to this RFP or any agreement entered into pursuant to this RFP without first obtaining the written permission of the RFP Contact.

### **3.4.6 No Lobbying**

Proponents shall not in relation to this RFP or the evaluation and selection process, engage directly or indirectly in any form of political action or other activity whatsoever to influence or attempt to influence Parliament, the Government, or to influence or attempt to influence any legislative or regulatory action, in the selection or evaluation of any proponent.

### **3.4.7 Illegal or Unethical Conduct**

The proponent represents, warrants, and covenants that, in connection with activities performed under this Agreement or on behalf of the Government, the proponent has not and will not offer, promise, authorise, pay, or act in furtherance of an offer, promise, authorization, or payment of anything of value, directly or indirectly, to a Government Official (as hereinafter defined), political party or party official, candidate for political office, or official of a public international organisation, in order to obtain or retain business, to secure an improper advantage or benefit of any kind or nature to person(s) related, associated or linked to the Government Official, or to secure or influence discretionary action, inaction or a decision of a Government Official(s). For purposes of this proposal, the term "Government Official" shall mean and include any official, public officer or employee of the Government, as well as an official or employee in the judicial, legislative, or military, anyone acting in an official capacity for the Government, or any immediate family member of such persons. The proponent represents, warrants, and covenants that it has complied and will comply with *The Bribery Act 2016* and all other applicable laws of any relevant jurisdiction in connection with the performance of this Agreement. Without limiting the generality of the foregoing, the proponent represents, warrants, and covenants that it has not and will not take any action that would cause the Government or anyone acting on their behalf to violate or be subjected to penalties under *The Bribery Act 2016*, or the applicable anti-corruption laws of other countries.

The proponent acknowledges and agrees that in the event that the Government believes, in good faith, that the proponent has breached this section, the Government shall have the right to immediately withdraw and terminate this opportunity and terminate any or all other agreements with the proponent.

### **3.4.8 Past Performance or Past Conduct**

The Government may prohibit a supplier from participating in a procurement process based on past performance or based on inappropriate conduct in a prior procurement process, including but not limited to the following:

- (a) illegal or unethical conduct as described above;
- (b) the refusal of the supplier to honour its submitted pricing or other commitments; or
- (c) any conduct, situation or circumstance determined by the Government, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

### **3.4.9 No Collusion**

Proponents must not engage in any collusion and must sign the certificate as set out in the Certificate of Confirmation of Non-Collusion (Appendix E).

## **3.5 Confidential Information**

### **3.5.1 Confidential Information of the Government**

All information provided by or obtained from the Government in any form in connection with this RFP either before or after the issuance of this RFP

- (a) is the sole property of the Government and must be treated as confidential;
- (b) is not to be used for any purpose other than replying to this RFP and the performance of any subsequent contract for the Deliverables;
- (c) must not be disclosed without prior written authorization from the Government; and
- (d) must be returned by the proponent to the Government immediately upon the request of the Government.

### **3.5.2 Confidential Information of Proponent**

- (a) A proponent should identify any information in its proposal or any accompanying documentation supplied in confidence for which confidentiality is to be maintained by the Government. The confidentiality of such information will be maintained by the Government, except as otherwise required by the Public Access to Information Act 2010 or by order of a court or tribunal.
- (b) Proponents are advised that their proposals will, as necessary, be disclosed, on a confidential basis, to advisers retained by the Government to advise or assist with the RFP process, including the evaluation of proposals. If a proponent has any questions about the collection and use of personal information pursuant to this RFP, questions are to be submitted to the RFP Contact.
- (c) The Proponent is responsible to ensure that they comply with the *Personal Information Protection Act 2016* ("PIPA"), related to any information in the proponent's custody, care or control.

### **3.6 Procurement Process Non-Binding**

#### **3.6.1 No Process Contract and No Claims**

This RFP is a request for proposals only and participation in this RFP is not intended to create legal obligations between the Government and any of the proponents or their representatives. For greater certainty and without limitation:

- (a) Participation in this RFP will not give rise to any preliminary contract or collateral contract;
- (b) No proponent shall have any claim for any compensation of any kind whatsoever (whether in contract, tort, law, equity or otherwise), as a result of participating in this RFP, and by submitting a proposal each proponent shall be deemed to have agreed that it has no claim against the Government;
- (c) The decision to award or not to award a contract to any proponent is at the discretion of the Government. The Government shall have no liability to any proponent with respect to the awarding of a contract or the failure to award a contract to any proponent. Proponents acknowledge that the proponent that submits the proposal with the lowest price might not be awarded a contract.

#### **3.6.2 No Contract until Execution of Written Agreement**

This RFP process is intended to identify prospective suppliers for the purposes of negotiating potential agreements. No legal relationship or obligation regarding the procurement of any good or service will be created between the proponent and the Government by this RFP process until the successful negotiation and execution of a written agreement for the acquisition of such goods and/or services.

#### **3.6.3 Non-Binding Price Estimates**

While the pricing information provided in proposals will be non-binding prior to the execution of a written agreement, such information will be assessed during the evaluation of the proposals and the ranking of the proponents. Any inaccurate, misleading or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation or ranking or the decision of the Government to enter into an agreement for the Deliverables.

#### **3.6.4 Cancellation**

The Government may cancel or amend the RFP process without liability at any time. Cancellation may occur, for example, if:

- (a) no qualitatively or financially worthwhile offer has been received or there has been no valid response at all;
- (b) the economic or technical parameters of the project have changed fundamentally;
- (c) exceptional circumstances or force majeure render normal implementation of the project impossible;
- (d) all offers exceed the financial resources available, or are otherwise inconsistent with the principles of economy, efficiency and effectiveness; or
- (e) irregularities require cancellation in the interest of fairness.

The publication of a procurement notice does not commit the Government to implement the programme or project announced.

### **3.7 Governing Law and Interpretation**

These Terms and Conditions of the RFP Process (Part 3):

- (f) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision);
- (g) are non-exhaustive and will not be construed as intending to limit the pre-existing rights of the parties to engage in pre-contractual discussions in accordance with the common law governing direct commercial negotiations; and
- (h) are to be governed by and construed in accordance with the laws of Bermuda applicable therein.

[End of Part 3]

## APPENDIX C – PRICING

### 1. Instructions on How to Provide Pricing

- (a) Proponents should provide the information requested under section 3 below (“Required Pricing Information”) by reproducing and completing the table below in their proposals, or, if there is no table below, by completing the attached form and including it in their proposals.
- (b) Pricing must be provided in Bermuda funds, inclusive of all applicable duties and taxes, which should be itemized separately.
- (c) Pricing quoted by the proponent must be all-inclusive and must include all labour and material costs, all travel and carriage costs, all insurance costs, all costs of delivery, all costs of installation and set-up, including any pre-delivery inspection charges, and all other overhead, including any fees or other charges required by law.

### 2. Evaluation of Pricing

Pricing is worth 30 percent of the total score.

Pricing will be scored based on the formula below. Each respondent will receive points of the total possible points allocated to price for the particular category it has bid on, which will be calculated in accordance with the following formula.

2.1 Price (include all cost): 5 = lowest bid, 4 = next lowest, etc. until 0 = most expensive

2.2 The respondent is in a stable financial position

Following financial checks, i.e. checking a bank reference, the following scores should be awarded.

5 = all financial checks sound, 3 = minor financial concerns, 1 = major financial concerns, 0 = no evidence provided / evidence of severe financial instability.

2.3 The respondent has no outstanding Government debt

Following financial checks with Social Insurance, the Accountant General's Department's Debt Collection Section, the Bermuda Health Council and the Tax Commissioner, the following scores should be awarded:

5 = all financial checks sound, 3 = minor financial concerns, 1 = major financial concerns, 0 = no evidence provided / evidence of severe financial instability.

In addition to any rectification processes, or rights to verify, clarify and supplement,

- (a) The Government will examine the responses to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the bids are generally in order.
- (b) Arithmetical errors will be rectified on the following basis:

- (i) Where there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the Proponent does not accept the correction of errors, its Bid will be rejected. If there is a discrepancy between words and figures the amount in words will prevail;
- (ii) Where there is a discrepancy between the amounts in figures and in words, the amounts in words will govern; and
- (iii) Where there is a discrepancy between the individual lump sums and the total amounts derived for the sum of the individual lump sum, the individual lump sum as quoted will govern, and the total amount will be corrected.
