

# COVID-19

(Coronavirus)

## PLEASE BE ADVISED

At this time, there are no Government mandated guidelines or restrictions related to COVID-19. We recommend Day Care Centres and Day Care Providers create policies related to COVID-19 to safeguard their places of business. As a private entity they have the right to implement these policies as they see fit.

The Department of Health still recommends practising everyday preventive measures such as frequent hand washing, staying home when sick and covering coughs and sneezes.
