

THE TCD GUIDE TO THE CYCLE RIDING TEST REQUIREMENTS

1 Large Circle

TEST 1 = LARGE CIRCLE:

The candidate must make a complete left turn in the middle circle and a complete right turn in the back circle. Correct posture and smooth throttle control is the aim of this exercise. While completing the circles look through the turn, lean slightly and do not use brakes. Return to the stop line using both brakes to **STOP**.

2 Weave

TEST 2 = WEAWE: The candidate must ride through to the end of the cones and back while weaving in a controlled manner. The candidate may corner either right or left in the back circle. The rider must not come into contact with or knock over a cone.

#3 Accelerate & Brake

TEST 3 = ACCELERATION AND BRAKING: The candidate must ride in a straight line between the cones, turn in the back circle while remaining in control, and accelerate in preparation for the brake test. The candidate may corner either right or left in the back circle. The cycle must be brought to a quick, safe, controlled stop with the front wheel stopping before the white stop line, using both brakes.

#4 Left Lifesaver & Turn

TEST 4 = LEFT LIFESAVER & TURN: The candidate must ride straight on the right of the white line nearest to STOP sign. The candidate must turn on their left indicator, signal a left turn with their left arm, perform a left lifesaver, and make a left turn at the end of the cones.

#5 Right Lifesaver & Turn

TEST 5 = RIGHT LIFESAVER & TURN: The candidate must ride in a straight line, turn on their right indicator, signal a right turn with their right arm, perform a right lifesaver, and make a right turn at the end of the cones.
