

**Department of Works and Engineering**

**Expression of Interest (EOI) Notice**

July 15<sup>th</sup>, 2015

**The Government of Bermuda on behalf of the Ministry of Public Works, Water Section is issuing this Expression of Interest and is seeking information from qualified vendors that may be interested in developing a twenty five (25) year master plan to deliver water and wastewater services for St. Georges Parish Bermuda.**

Ministry of Public Works in its sole discretions may issue a future formal request for proposals (RFP); modify the project in whole or in part; take no further action regarding this project; or exercise any other available options. Any proposal will be assessed in conjunction with the key stakeholders.

**Project Objectives**

Ministry of Public Works, Water Section strives to satisfy the needs of St. Georges Parish to ensure safe and secure water and wastewater services. Furthermore, it would like to meet all applicable international water and wastewater services standards in order to realize its full potential and to reach the highest of standards in a well-developed twenty five (25) year Master plan for water and wastewater services for St. Georges Parish, which is both functional and sustainable.

The types of engineering services the vendor would be required to provide to the Ministry of Public Works includes an information review of current water supply and sewage systems in the Parish of St George's to establish a baseline from which appropriate policies can be determined to:

- Offer options for management of service delivery
- Identify infrastructure investment required to deliver a sustainable service for the Plan Period
- Complete a financial analysis of the current and proposed service delivery systems.

For any clarification on any aspect of this Expression of Interest notice please send an e-mail to [kclaridge@gov.bm](mailto:kclaridge@gov.bm) and copy in Mr. J. Tark Christopher at [tjchristopher@gov.bm](mailto:tjchristopher@gov.bm). Please remember to quoting "Expression of Interest St Georges Parish" in the subject of the e-mail.

Vendors interested in registering and participating in a planned solicitation process should complete the "Participate Response Form" of this EOI and send it back by email to Mr. J. Tarik Christopher P.Eng. at [tjchristopher@gov.bm](mailto:tjchristopher@gov.bm) before 4:00 p.m. AST, on July 29, 2015.

All submission must be made in compliance with the instructions as stated on the EOI "Participate Response Form" and addressed to: Mr. J. Tarik Christopher P.Eng.

**Department of Works and Engineering**

**Expression of Interest (EOI) Notice**

Nothing in this EOI shall be taken to form a binding legal contract. The potential subsequent procurement will be governed by the Government of Bermuda's rules and regulations.

In addition the following applies:

- i. The Ministry of Public Works makes no guarantees about and takes no responsibility for the accuracy and completeness of this request for an EOI and disclaims any liability for any interested party's use of the information.
- ii. The Ministry of Public Works may change or replace any information contained in this request for an EOI at any time, without giving any prior notice or providing any reason.
- iii. Each party is solely responsible for the risk and cost of preparing and submitting its EOI in response to this request. The Ministry, its employees, and its representatives shall not be liable for the cost of doing so and shall not be obliged to remunerate or reimburse any party for that cost.
- iv. **PUBLIC ACCESS TO INFORMATION:** Any information collected or used by or on behalf of the Government of Bermuda under this solicitation document is subject to the Public Access to Information Act 2010 ("Act"). The information belongs to a class of information that might be made available to the general public unless it is contained in a record that is exempt from disclosure under the Act. Any questions regarding the collection, use, or disclosure of the information should be directed to the public authority that issued this solicitation document.

Please note that no further details of this planned solicitation can be made available to the vendors prior to issuance of the solicitation documents.

We thank you for your interest.

J. Tarik Christopher, P.Eng.  
Principal Water and Wastewater Engineer  
for Permanent Secretary
